SIR,

Establishment of a Lock-Up at Kalasa.

I have the honor to state that consequent on the establishment a Bench of Honorary Magistrates at Kalasa, it has become necessary to have a lock-up there for the location of ~~under-trial~~ prisoners. I request you to kindly move Government to sanction the establishm of a Lock-Up at the said place. The Sub-Assistant Surgeon at Kal may, under rule 21(5) of the Mysore Lock-Up Manual, be placed in - Executive charge of the Lock-Up. As regards the Police staff - - required for Guard duty, proposals have been separately sent to the Inspector General of Police in Mysore.

2. During the past eight months after the Court was established at Kalasa, there was only one prisoner in custody from the 25th January to 5th February 1926. Therefore, the legitimate work the Sub-Assistant Surgeon will not in any way suffer. There is, besides, no other suitable officer to be placed in charge of the L Up at Kalasa.

Sir,

Referring to letter No. J.1- 1102-26 dated 7th Augu 1926 addressed to you by the District Magistrate of Kadur District in connection with the establishment of a (Prisons) Lock-up at Kalasa, I have the honour to state that in his letter No. J.1. 1102-26 dated the 26th July 1926, the District Magistrate requeste me to arrange to place the Local sub Assistant Surgeon in charge of the Lock-up at Kalasa. I wrote back pointing out that Lock-ups are established only in District and Taluk Head Quarter Towns and enquiring the number and date of the Government Order sanctioning a Lock-up for Kalasa. In reply, I have received a memo dated 7th instant forwarding copy of the communication under reference addre to you.

2. Personally I am not convinced of the need at all for a Lock-up at Kalasa. The prisoners annually will be very few and any solitary prisoners that may have to be accommodated at lon intervals may either be kept in the Police Lock-up being treated a prisoners on transit and sent to the nearest Taluk Lock-up on - conviction.

3. Should however, Government consider it desirable to institute a Lock-up at the place, I cannot recommend the Sub Assistant Surgeon being placed in charge of it. Being responsible r the efficient maintenance of the dispensary situated in a malna and in many respects, an unhealthy area and being required to abser

in connection with the epidemics and endimic diseases he will b
least suited for the Stationary charge of a Lock-up. Moreov
without any clerical help he will be unable to maintain about 2
registers which have to be kept in a lock up irrespective of the numerical str
of prisoners.

I would suggest one of the Honorary Magistrates being put in charge instead. The clerical establishment which I believe is provided for the Magistrates can then easily attend to the scriptoral work pertaining to the Lock-up also.

As the --- period for which the Court was sanctioned is to expire by the end June 1927-(vide Government Order No.P.141-2/Cts.263-25-2 dated the 9th July 1926), I request that you may be so good as to move Government to sanction its continuance for the present, at least for another year, from 1st July 1927.

SIR,

Accommodation for the Lock-Up at Kalasa.

With reference to Para 2 of Government Order No.G.3309-1 Pris.16-26-8 dated the 22nd September 1927, calling for proposals for providing suitable accommodation for the Court Lock-up at Kalasa, I have the honor to state that as no other suitable accommodation could be procured at the place for a Lock-Up, it has been proposed to extend the Police Station there by putting up a couple of rooms to the right side of the building, one for male prisoners and another for female prisoners. The District

the matter has stated that it is possible to have the rooms put up. An estimate has accordingly been obtained from the Executive Engineer, Kadur Division for Rs. 2480/- and sent separately to the Inspector General of Police in Mysore, for his countersignature and return, obtaining sanction of Government if necessary to the proposal.
